October 17th, 2016

Dear parent or guardian,

École secondaire Kelvin High School is pleased to continue our initiative to encourage our Immersion students in their efforts to become fluent en français. The entire Immersion team is working together to support our language learners. Oral activities are offered during Immersion classes to enhance oral literacy.

On November 2nd, our grade 10 students will have an interview session with two Immersion teachers which will consist of reading a passage followed by a discussion.

The enclosed document is a copy of your child's text options, schedule and the assessment criteria. Students will read the text of their choice and then discuss the topic with two teachers. This assessment does not affect the students grades, but is a tool to guide his/her learning over the next couple years at Kelvin.

Students are asked to arrive promptly to the assigned interview location (see attached schedule) and to bring this evaluation package with them.

Should you have any questions, please do not hesitate to contact Leanne Chase at lchase@wsd1.org or Myriam Gouthière at mgouthiere@wsd1.org for clarification.

The French Immersion Team
